Worldwide's Cordless Cut-Down Shade

## *Highlights*

Simplified, compact headrail design and lift system allow the shade to be quickly sized at Worldwide or your location. Get custom sizing with faster order turnaround.

Recent advances in manufacturing technology allow Worldwide to offer even more features—like free cordless control—at far lower cost. The high-volume discounters won't have a chance!

Every Advanta® shade includes a removable clear handle for easy lifting and lowering. No more unsightly fingerprints and smudges on the rail!

Advanta® shades are available in light filtering and blackout. The headrail and bottom rail are color-coordinated to match the shade fabric.
